**SMART BUSINESS**  
Trading & Services

A photograph of a business meeting in a modern office. Three people are gathered around a table, looking at a laptop and a smartphone. The office has large windows overlooking a city skyline at dusk or dawn. The scene is lit with a cool blue light, and there are coffee cups on the table. The background shows a tall building with many windows, some of which are lit up.

# ABOUT US.

We are a well-established Saudi Arabian company with a rich history of delivering comprehensive solutions.

Since our establishment in 2006, we have proudly served major clients and reputed companies across various industries. Our expertise spans General Trading, IT Solutions, Safety Solutions, and Construction & Contracting Solutions.

As a one hundred percent Saudi Arabia-owned organization, **SMART BUSINESS TRADING AND SERVICES (SBT)**. takes pride in being managed and run by a group of professionals with exceptional business track records. Our management team brings a wealth of experience across various sectors, including General Trading, IT Solutions, Customized Safety Solutions, and the construction field of Saudi Arabia, particularly in the Civil, Petrochemical Industries, and Power sectors.

# CREATING INNOVATIVE SOLUTIONS **FOR A BETTER TOMORROW.**

## VISION

Our vision at Smart Business Trading & Services (SBT) is to be a leading provider of innovative solutions, recognized for our excellence, integrity, and commitment to customer satisfaction. We strive to empower businesses with smart technologies, reliable services, and sustainable practices, contributing to their growth and success in a rapidly evolving world.

## MISSION

At Smart Business Trading & Services (SBT), our mission is to deliver comprehensive solutions that address the evolving needs of our clients. We aim to provide exceptional value by leveraging our expertise in IT solutions, safety measures, construction, and contracting. Through our reliable services, we aim to enhance productivity, safety, and operational efficiency for our clients across Saudi Arabia.

## Networking & Cabling

---

A reliable and efficient network infrastructure is the backbone of any modern business. We provide comprehensive networking and structured cabling solutions that ensure seamless connectivity and data transfer within your organization. Our team of network specialists has extensive experience in designing, implementing, and managing robust networks for businesses of all sizes.

# SAFETY SOLUTIONS.

We are committed to creating a safe and secure work environment.

Our Safety Solutions division provides top-quality Personal Protective Equipment (PPE) and safety signs to help you meet safety standards, protect your employees, and prevent workplace incidents.

We SBT, prioritize the safety of your workforce and the protection of your workplace. Our Safety Solutions division specializes in providing comprehensive safety solutions, including the trading of Personal Protective Equipment (PPE) and customized safety signs and sign boards.

## Personal Protective Equipment (PPE)

We understand the importance of equipping your employees with the right PPE to mitigate workplace hazards and ensure their well-being. Our extensive range of high-quality PPE includes safety helmets, protective eyewear, gloves, safety footwear, high-visibility clothing, respiratory protection, and more.

## Customized Safety Signs

We offer a wide variety of customized safety signs, including hazard signs, emergency signs, fire safety signs, prohibition signs, mandatory signs, and many more. Our signs are made from durable materials and designed to withstand various environmental conditions, ensuring their longevity and effectiveness.

# CONSTRUCTION & CONTRACTING SOLUTIONS.

Comprehensive Construction &  
Contracting Solutions  
to Your Projects

We offer a wide range of specialized services to meet your construction and project management needs. Whether you require general contracting, equipment rental, industrial support services, or technical manpower supply, our experienced team is here to deliver exceptional results.

With a proven track record in the construction industry, we have successfully completed diverse projects across Saudi Arabia. Our commitment to excellence, attention to detail, and adherence to the highest quality standards make us a trusted partner for your construction and contracting requirements.

## General Contracting

Our general contracting services encompass all aspects of construction, from project planning and design to execution and completion. With a focus on quality craftsmanship and timely delivery, we undertake projects of various scales and complexities. From residential and commercial buildings to industrial facilities, our experienced team ensures that your vision becomes a reality.

## Industrial Support Services

Our industrial support services are designed to provide comprehensive assistance throughout the project lifecycle. From site preparation and logistics to material procurement and quality control, we ensure smooth operations and cost-effective execution. Our experienced professionals work closely with you to understand your project requirements and deliver tailored solutions that exceed your expectations.

## Equipment Rental

We provide a comprehensive range of equipment rental solutions to support your construction projects. Our fleet of well-maintained equipment includes machinery, vehicles, and specialized tools required for efficient project execution. Whether you need excavators, loaders, cranes, or other construction equipment, we offer flexible rental options to meet your specific needs.

## Solar Panel Supply & Installation

As part of our commitment to renewable energy, we offer solar panel supply and installation services. Our team of solar energy experts can assess your energy needs, design a customized solar solution, and seamlessly install solar panels on your premises. By harnessing the power of the sun, you can reduce your carbon footprint, lower energy costs, and contribute to a sustainable future.

## Scrap Disposal & Purchase Service

As part of our commitment to sustainable practices, we offer scrap disposal and purchase services. We responsibly handle and dispose of construction waste and scrap materials, contributing to a cleaner and greener environment. Additionally, we facilitate the purchase of recyclable materials, providing an opportunity to monetize your construction waste and promote a circular economy.

## Technical Manpower Supply

Finding the right talent for your construction projects is essential for success. We specialize in providing skilled and reliable technical manpower to support your workforce requirements. Our extensive network of qualified professionals includes engineers, technicians, supervisors, and skilled labourers who are ready to contribute their expertise to your projects.

## Project Technical Services

Our project technical services encompass a wide range of specialized expertise to support your project's technical aspects. From engineering design and project management to quality assurance and control, we provide the expertise and resources necessary for successful project delivery. Our technical team is dedicated to ensuring that your project meets the highest standards of quality, safety, and efficiency.

# CHEMICAL IMPORT & TRADING.

Our Chemical Import & Trading division, where we specialize in the supply and import of a diverse range of chemicals. Our portfolio includes Specialty Chemicals, Commodities & Solvent Chemicals, and Water Treatment Chemicals. Our expertise and network enable us to provide high-quality products that meet your requirements.

Partner with us to access a wide variety of chemicals that are essential for various industrial applications, empowering your business with the resources it needs for seamless operations.
